1/4 yard 2nd green print  
3/4 yard white  
1 yard backing fabric  
1/4 yard for binding  
30" x 32" piece of batting

### Cutting:

#### From each colored tulip print:

One 4" x 6-1/2" piece, two 4" squares and two 2-3/4" squares

#### From the green:

Two 1-1/2" x 42" strips  
Four 1-1/2" x 7-1/2" strips

**From the 2<sup>nd</sup> green triangle print:**

Eight 3" x 6-1/2" pieces

**From the white:**

Eight 4" squares

Two 3-1/2" x 28-1/2" strips

Sixteen 3" squares and eight 1-1/2" x 3" pieces

Eight 2-3/4" squares

Two 2-1/2" x 20-1/2" strips

Eight 2" squares

**From the binding print:**

Three 2-1/4" x 42" strips

**Let's get started!**

1. Draw a diagonal line on the wrong side of each white square.
2. Pair each 2-3/4" marked square with a 2-3/4" bright square, right sides together. Stitch 1/4" on either side of the marked line, cut on the line, and press both half-square triangles (HSTs) open. Trim HSTs to measure 2" square.

3. Layer 2" marked white squares on the two bottom corners of a bright 4" x 6-1/2" piece as shown. Stitch on the drawn line, trim 1/4" past the line, and press open to make a tulip bottom.

**4.** Lay out the four HSTs as shown to make three tulip points.

**5.** Sew the HSTs together and sew to the tulip bottom.

**6.** Lay a 3" marked white square on the bottom half of a 3" x 6-1/2" green triangle piece, noting orientation of the line. Repeat, making sure to position the marked line opposite the line on the first piece (mirror image). Stitch on each drawn line.

**7.** Trim 1/4" past the seam and press open. Layer a second marked square on the top of each green piece, noting orientation. Stitch, cut and press open to make two mirror image leaf units.

**8.** Sew a 1-1/2" x 3" white piece to the top of each leaf unit as shown. Sew a 1-1/2" x 7-1/2" green zigzag stem between the two leaf units to make a leaf/stem unit.

**9.** Sew the leaf/stem unit to the bottom of a tulip. Repeat to make three additional tulips and leaf/stem units.

**10.** Lay out the four tulip blocks in a row and sew together.

- 11.** Layer a 4" marked white square on top of a 4" bright print square and make HSTs like in step 2. Trim to measure 3-1/2" square. Make four HSTs in each color combination and join the HSTs into a pinwheel block as shown. Make one pinwheel block in each color.

- 12.** Sew four pinwheel blocks into a row. Trim the two 1-1/2" x 42" green zigzag strips to measure 24-1/2". Sew them together with the tulip row and pinwheel row as shown.

- 13.** Sew 2-1/2" x 20-1/2" white strips to the sides of the quilt top. Sew 3-1/2" x 28-1/2" white strips to the top and bottom of the quilt top. Machine quilt the wall hanging.

- 14.** Use the three 2-1/4" x 42" strips to bind the wallhanging.

- 15.** Hang on your door or wall and enjoy!
