

Mystery BOM for May

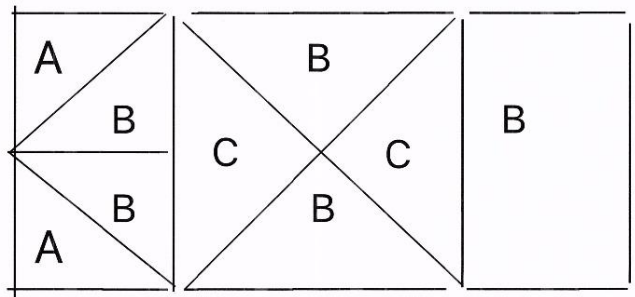

WE ARE GETTING CLOSER!!!

For May:

We are back doing more HST (what a surprise!)

1. Cut (12) 4" squares of Fabric A and B and make 24 HST, to measure 3½" squares
2. Cut (10) 3½" X 6½" rectangles from Fabric B
3. Make half hour glass units using (10) B/C hour glass units (there will be 1 leftover) and 20 HST and the fabric B rectangles from #2. Follow diagram below on how to position the pieces correctly.

4. Cut (12) 3½" squares from Fabric B and set aside.
