

## BOM Mystery Quilt

We are almost there !!!

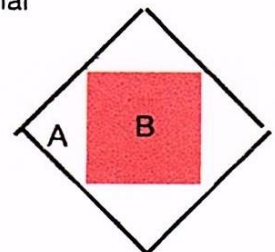

In the next few months, you will be able to finally appreciate the hard work you have been putting into making the mystery.

This month we are making another batch of the square in a square blocks ,that measure 6 1/2 unfinished

1. From fabric A cut ( 12 )  $3 \frac{7}{8}$  or 4 inch squares and cut once on the diagonal  
From fabric B cut ( 6 )  $4 \frac{3}{4}$  squares

Sew a triangle from fabric A to opposing sides of fabric B  
Trim down to 6 1/2 square

As it was discussed before, in the first batch of square in a square blocks in Jan, if you have an alternative focus fabric that you would like to use for the Fabric B center , that would work with this block

2. From fabric B cut (12 )  $3 \frac{1}{2}$  squares and set aside
