## President's Message

Well, ladies, it's Tea Time! That time of year when all of the hard work for the past few months finally pays off. Registrations are in, quilt block squares have been collected, baskets are made up for the Chinese Auction, craft items are tagged and priced, food has been ordered, Book Sale is organized, quilts are ready to hang and the Sewing Room Sale is ready to go. As usual, let's make this another fantastic Quilter's Tea!

Looking ahead to PT (that would be post Tea), we have lots of good things planned for the Guild. Guest speakers and workshops, field trips and lunches out, member run programs plus all of our regular meetings are on the calendar for the rest of the year. And Spring, we are looking forward to Spring!

*Betty Ann*

**Pincushion Tomato** – a tomato with a strawberry attached – was most likely introduced during the Victorian Era. According to folklore, placing a tomato on the mantel of a new house guaranteed prosperity and repelled evil spirits. If tomatoes were out of season, families improvised by using a round ball of red fabric filled with sand or sawdust. The good-luck symbol also served a practical purpose – a place to store pins. Typically, the tomato is filled with wool roving to prevent rust, and the strawberry is filled with an abrasive to clean and sharpen the pins.

## March Program

## Tea Quilt Show

One of the main attractions of the Quilter's Tea is our member quilt show. Here are this year's show rules and reminders:

- All sizes and shapes of quilts are welcome as long as they have never been shown at the Tea before.
- We're anxious to see your personal quilts but don't forget about those 'Guild Projects,' such as the workshops of Joyce Hughes, Sarah Ann Smith and Frieda Anderson, the 2019 WINGS challenge and all those creative Whisper Challenge Blocks with inspiration notes.
- Each quilt must have a paper label (described below) attached with safety pins.
- The quilts must be delivered, first thing, to the 2<sup>nd</sup> floor Church Sanctuary on set-up day, Friday morning March 13<sup>th</sup>. **NO QUILTS WILL BE ACCEPTED ON SATURDAY!**
- Quilts larger than ~50" must have a permanent hanging sleeve sewn on the back to facilitate hanging on the quilt racks. If quilts of this size do NOT have a sleeve then they will be hung over the backs of the church pews.
- All the quilts will be numbered so the Tea guests can vote for Viewer's Choice. **Reminder:** THERE WILL BE SEPARATE VOTING FOR MEMBERS ONLY.

**Specifications for typing and printing the quilt label:** Attached with this newsletter is an electronic MSWord .doc version of the quilt show label for guild members to use at the Tea show. Just type your info directly into the label and print out. It is also posted on our website.

**Label size:** 5" x 6" Pin with safety pins on the **front**, in the middle of the **RIGHT** side of the quilt.

# Did You Know There is a National Quilting Day?

In 1989, the Kentucky Heritage Quilt Society organized a “Quilters’ Day Out” on the third Saturday of March to celebrate the rich tradition of quilting in Kentucky. In 1991, National Quilting Association officers were so enthused with the concept and success of “Quilters’ Day Out” that they voted to take it to a national level.

The first National Quilting Day was observed in 1992 and since then it has grown into a global celebration for all quiltmakers and quilt lovers. Helen Storbeck, one of the founders of National Quilting Day, wrote in *The Quilting Quarterly*, “Groups of quilters were encouraged to hold special events, publishers and shop owners were invited to sponsor promotions especially for quilters and it quickly became a grassroots endeavor with quilters in every part of the country participating. In the first year of National Quilting Day, quilters in other countries asked to participate. They were welcomed with open arms.”

## National Quilting Day 2020 is on Saturday, March 21, 2020

- **Share your quilting skills**

Offer to teach a simple quilt project to a school, 4-H, scout, or other youth group, or spend the day passing along your love of quilting to your children, grandchildren, nieces, nephews, or neighbors.

- **Document your quilts**

This National Quilting Day, we encourage you to document your quilts. Add those labels you’ve been putting off! Have a documentation day at your group or guild. Or interview a family member or friend as part of the Quilt Alliance Go Tell It! project.

The formula for “Go Tell It!” is simple: **one person** talking about **one quilt** in front of **one camera** for **three minutes—another quilt story shared!** Anyone can do a Go Tell It! interview: quiltmakers, quilt appreciators, recipients of quilts, quilt collectors, curators or historians.

Watch any of our Go Tell Its! below, recorded at the events—quilt shows, galleries, and museums—where quiltmakers and quilt enthusiasts gather.

**Crazy for You: Crazy Quilts and Objects of Memory from the Schwenkfelder Collection**

April 17 – September 25

Crazy quilts were all the rage from the time of the United States centennial in 1876 through the 1910s. Everyone wanted a sumptuous crazy quilt (which are actually usually not quilted) made from silks and velvets for their parlors. Often the quilts were personal expressions with dates, names and imagery that were meaningful to the maker.

Our spring collection in the ground floor gallery will feature a selection of crazy quilts from the Heritage Center collection, and also a group of objects of memory, including memory jugs and scrapbooks.

## Road Trip - Mennonite Heritage Center

The Mennonite Heritage Center is pleased to present this show of Rachel Derstine's bold and imaginative quilted art. Previously of Schwenksville, now of Philadelphia, Rachel has done commissioned works for Salford Mennonite Church, Souderton Mennonite Homes, the Hershey Medical Center, and private collections. Her work has appeared, and received awards, in various solo and juried shows since 2011. Her combinations of color, design and texture are often stunning, sometimes subtle.

On March 7, 2020 at 11:00 Rachel Derstine will speak about her work and current exhibit at the Mennonite Heritage Center, 565 Yoder Road, Harleysville, PA.

<https://mhcp.org/exhibits/the-quilt-as-art-creating-movement-and-depth/>

Rachel describes her work: "I primarily use hand dyed or painted cottons, silks and non-wovens but also have a love of Asian fabrics and kimono silks, incorporating these ancient traditional fabrics into my compositions. Use of sheers, couching and color values give a sense of depth and texture. Slightly curving lines portray gracefulness and circles are often present representing wholeness and creativity." <https://rachelderstinedesigns.com/>
