
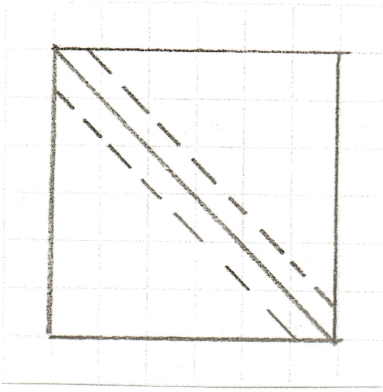
Month 1 - Mystery Row by Row

	6 1/2" unfinished	12 1/2" unfinished
Background	2 - 4" squares	2 - 7" squares
Dark	2 - 4" squares	2 - 7" squares

- Draw a diagonal line on the wrong side of the background squares
- Place background and dark squares right sides together and stitch 1/4" on both sides of the diagonal lines



- Cut apart on the diagonal lines
- Press seams towards the darker fabric
- Trim squares to either 3 1/2" (for the 6 1/2" block) or 6 1/2" (for the 12 1/2" block)
- Follow diagram to lay out your squares and stitch
- Repeat for as many blocks as you would like in your row
- Stitch blocks together in a row

As the mystery progresses, keep in mind that if you made, for example, a row of 3 - 12" blocks, the next month you could make a row of 6 - 6" blocks to switch things up. It's your quilt so it's your choice!

***depending on the size of the quilt that you want to make, we recommend anywhere from 1 - 3 yards of background fabric
